REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF ALIJARAH HOLDING (Q.S.C.)

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Aljarah Holding Q.S.C. (the "Company") and its subsidiaries (collectively "the Group") as of 30 September 2015 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the nine month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34, 'Interim financial reporting' as issued by the International Accounting Standards Board (IASB). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity'. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 as issued by the IASB.

Other matter

The interim condensed consolidated financial information of the Group for the nine month period ended 30 September 2014 and the consolidated financial statements of the Group for the year ended 31 December 2014 were reviewed and audited, respectively, by another firm of auditors who expressed an unqualified review conclusion and unqualified audit opinion in their reports dated 29 October 2014 and 29 January 2015 respectively.

Fair Value Estimation

Financial instruments comprise financial assets and financial liabilities. Financial assets consist of cash and cash equivalents, installments and due from customers and available for sale investments and certain other financial receivables. Financial liabilities consist of Islamic financing under wakalah arrangements, accounts payable, amounts due on construction contracts and certain other accruals.

Management believes that the fair values of financial assets and liabilities are not materially different from their carrying values.
